

Restart VT - Update 11 – [New Work Safe](#) Additions to the Be Smart, Stay Safe Order
Governor Addendum 17 - June 5, 2020

Here are the updated changes:

Travelers located in NON-QUARANTINE County (as listed on accd.vermont.gov):

- **Effective Monday, June 8, 2020 – July 1st. Allow travel in a personal vehicle Without Quarantine Restrictions to and from the counties of Maine, New Hampshire, Massachusetts, Rhode Island, Connecticut, and New York with 400 or fewer active cases of COVID-19 per million. Vermonters must remember to follow any travel restrictions and quarantine requirements for the states they plan to visit.**
- **Residents of other states who live in counties across New England and New York that have a similar active COVID-19 caseload may enter Vermont for leisure travel without quarantining.** Residents from a non-quarantine county may travel to Vermont without quarantine restrictions if they travel directly to Vermont in their personal vehicle. This includes overnight travel, commuting for work, leisure visits and recreation. Travelers must register with [Sara Alert](#) upon arrival to Vermont to get two weeks of daily reminders to check for common symptoms of COVID-19.
- **The Agency will publish an updated map and list each Monday by 5 p.m. at accd.vermont.gov identifying quarantine and non-quarantine counties throughout New England and New York.**

Travelers, including Vermonters, that visit or are from a **QUARANTINE COUNTY** must still quarantine for 14-days upon entrance into Vermont or quarantine for at least seven days upon entrance into Vermont and receive a negative COVID-19 test.

- **EFFECTIVE 6/15: Travelers may complete either: (i) a 14-day quarantine; or (ii) a 7-day quarantine followed by a negative test - in their home state and enter Vermont without further quarantine restrictions if they drive directly from their home via their personal vehicle.**
- **Travelers may complete either: (i) a 14-day quarantine; or (ii) a 7-day quarantine followed by a negative test – in a Vermont lodging establishment regardless of destination origin or manner of travel (travelers must stay in their quarantine location for the duration of quarantine other than to travel to and from a test site).**

Indoor Dining:

- **Effective June 12th - Indoor dining will be permitted with 25% occupancy limits and social distancing and health and safety protocols.**
